## "R" MULTI-DRAWER

For personalized space management, our multi-drawer cabinet will surprise you, not only with its attractive look but also with its amazing versatility. Whether you're placing an order for one cabinet, or for one thousand, our customer service representatives will gladly help you build just the cabinet your customer is looking for.

Four sizes of cabinets are available: 48" x 24", 48" x 27", 60" x 24" and 60" x 27". With the 48" wide cabinet you can create 2 banks of 24" wide and one top bank of 48" wide drawers. With the 60" wide you can build a cabinet with 2 banks of 30" wide with a top bank of 60" wide. Or, one bank of 24" wide and another of 36" wide with a 60" wide on the top. Couple these choices with our 10 available drawer heights (3" to 14"), our 18 standard colors, our cabinet and drawer accessories and you can create a truly personalized cabinet.

This cabinet is available in either a mobile or a stationary version. The mobile cabinet has high quality casters, stabilizing bars to ensure the rigidity of the housing, a sturdy handle that guarantees a firm grip, as well as an integrated locking mechanism, which makes this cabinet ideal for mobile applications. Both models include a lock that allows all drawers to be locked with the turn of one key.

The multi-drawer cabinet is a versatile cabinet, available in a variety of colors.
