

## Adaptors

|                                                       |          |
|-------------------------------------------------------|----------|
| Adaptors for Leveling Glides .....                    | 29, 113  |
| Adaptors for WM Frame .....                           | 132      |
| Adaptor for W550 Shelf .....                          | 125      |
| Caster Adaptors / Leg Extensions .....                | 108, 115 |
| CNC Adaptor for H-D Drawer .....                      | 187      |
| CNC Adaptor for Shelving .....                        | 187      |
| CNC Adaptor for WM .....                              | 187      |
| Light-Duty Arm Adaptor .....                          | 187      |
| Shelf Adaptor for Common Leg .....                    | 127      |
| Vertical Adaptor for Electrical and Air Outlets ..... | 130      |

## Arms

|                                |     |
|--------------------------------|-----|
| Document Holder with Arm ..... | 127 |
| Light-Duty Arm .....           | 127 |

## Bases

|                                            |              |
|--------------------------------------------|--------------|
| Angled Cover Plate .....                   | 19, 113      |
| Base for Casters for Compact Cabinet ..... | 33, 117      |
| Base Riser for Computer Cabinet .....      | 172          |
| Base Riser for Mobile Cabinet .....        | 172          |
| Compact Cabinet Base .....                 | 31, 113      |
| Cover Plate for Computer Cabinet .....     | 172          |
| Extended Base for Casters .....            | 44           |
| Forklift Base for H-D Cabinet .....        | 19, 117, 172 |
| Leveling Glide Kit .....                   | 19, 117, 173 |
| Mobile Base for Mini-Racking .....         | 87           |
| Mobile Base for Spider Shelving .....      | 87           |
| Recessed Base for H-D Cabinet .....        | 19, 117, 172 |
| Shelf Front or Front Base .....            | 76           |
| Straight Cover Plate .....                 | 19, 117      |

## Beams and Tie Bars

|                           |         |
|---------------------------|---------|
| Beams for Tire Rack ..... | 197     |
| Heavy-Duty Beams .....    | 83      |
| Heavy-Duty Tie Bar .....  | 83      |
| Medium-Duty Beams .....   | 83, 179 |
| Medium-Duty Tie Bar ..... | 83, 179 |

## Brackets

|                                                    |     |
|----------------------------------------------------|-----|
| RE30 Mounting Brackets for Spider ® Shelving ..... | 73  |
| RA73 Side Brackets for Top .....                   | 116 |
| RE00 Standard Mounting Brackets .....              | 93  |

## Braces

|                                        |         |
|----------------------------------------|---------|
| Back Sway Brace .....                  | 75, 178 |
| Braces for Double Mobile Cabinet ..... | 42      |
| Mini-Racking Ladder Braces .....       | 82, 178 |
| Side Panel Braces .....                | 75, 178 |

## Cabinets

|                                          |            |
|------------------------------------------|------------|
| Computer Cabinet .....                   | 168-169    |
| Hanging Side Cabinet- Front Access ..... | 39, 59     |
| Hanging Side Cabinet- Side Access .....  | 39, 59     |
| H-D Mobile Cabinet .....                 | 34, 37     |
| H-D Modular Cabinet .....                | 6-9, 111   |
| Compact Cabinet .....                    | 22-23, 111 |
| Smart Compact Mobile Cabinet .....       | 47-48      |
| Multi-Drawer Mobile Cabinet .....        | 55-56      |
| Multi-Drawer Stationary Cabinet .....    | 57-58      |
| Sink Cabinet .....                       | 14, 119    |
| Smart Computer Cabinet .....             | 134, 171   |
| Stacking Cabinet .....                   | 14, 29     |
| Storage Cabinet .....                    | 131, 134   |
| Waste & Recycling Cabinet .....          | 15         |

## Carts

|                                             |         |
|---------------------------------------------|---------|
| Cart for Smart Compact Mobile Cabinet ..... | 53, 115 |
| Mobile Cart for CNC Tool Storage .....      | 184     |

## Casters

|                                 |                                |
|---------------------------------|--------------------------------|
| 4" Casters .....                | 44, 53, 87, 115, 117, 141, 173 |
| 6" Casters .....                | 44, 53, 87, 115, 117, 141, 173 |
| Extended Base for Casters ..... | 44                             |

## CNC Tool Storage Solutions

|                                  |         |
|----------------------------------|---------|
| CNC Tool Storage Solutions ..... | 184-185 |
| Tool Racks .....                 | 186     |

## Crossbars

|                                                                 |             |
|-----------------------------------------------------------------|-------------|
| Crossbar for Double Integrated Doors with<br>Drawer Above ..... | 16, 45, 119 |
| Crossbars for Wall Leg .....                                    | 108         |
| Heavy-Duty Tie Bar for Mini-Racking .....                       | 83          |
| Medium-Duty Tie Bar for Mini-Racking .....                      | 83          |
| Steel Top Crossbar .....                                        | 101         |
| Table Leg Crossbar .....                                        | 108         |
| Upright Cross Member for Multi-Purpose Upright .....            | 123         |
| Wood Crossbar for Steel Top .....                               | 107         |

## Computer Stations

|                              |          |
|------------------------------|----------|
| Computer Station .....       | 168-169  |
| Computer Workstation .....   | 169-170  |
| Multi-Purpose Stand .....    | 170      |
| Smart Computer Cabinet ..... | 134, 171 |

## Decking

|                                 |         |
|---------------------------------|---------|
| PVC Decking for CNC Tools ..... | 191     |
| Steel Decking .....             | 84, 190 |
| Wire Decking .....              | 84      |

## Dividers

|                                         |                      |
|-----------------------------------------|----------------------|
| Dividing Rods for SH Shelf .....        | 67, 196              |
| Double Divider for Mini-Racking .....   | 81, 196              |
| Drawer Divider for Compact Drawer ..... | 27, 50               |
| Drawer Divider for H-D Drawer .....     | 161                  |
| Partial Divider .....                   | 10, 14, 67, 116, 124 |
| Shelf Divider .....                     | 67                   |
| Single Divider for Mini-Racking .....   | 81, 196              |
| Sliding Divider for WS Shelf .....      | 125                  |

## Doors

|                                                |                  |
|------------------------------------------------|------------------|
| Crossbar for Double Integrated Doors .....     | 16, 45, 119      |
| Double Doors with Frame for H-D Cabinet .....  | 17               |
| Double Integrated Doors for H-D Cabinet .....  | 16, 45, 119      |
| Double Integrated Doors for Wall Cabinet ..... | 132              |
| Flipper Door for Shelving .....                | 70               |
| Flipper Door for Wall Cabinet .....            | 132              |
| Polycarbonate Door for Computer Cabinet .....  | 174              |
| Polycarbonate Door for Shelving .....          | 70               |
| Integrated Sliding Doors for H-D Cabinet ..... | 17               |
| Compact Cabinet Door .....                     | 31, 52, 113      |
| H-D Cabinet Door .....                         | 16, 45, 119, 176 |
| Single Integrated Door for Wall Cabinet .....  | 132              |
| Sliding Doors for Workstation .....            | 110              |
| Sliding Doors with Frame for H-D Cabinet ..... | 17               |
| Solid Door for Shelving .....                  | 70               |

## Drawers

|                                          |                      |
|------------------------------------------|----------------------|
| Bank of Drawers for Shelving .....       | 90-91                |
| Drawer Unit for Workstation .....        | 31, 112              |
| H-D Drawer for CNC Tools .....           | 188                  |
| H-D Drawer in Shelving .....             | 73, 97, 144-148      |
| H-D Drawer for Cabinet .....             | 20, 43, 118, 144-148 |
| H-D Drawers with Compartments .....      | 147-160              |
| Keyboard Drawer .....                    | 173                  |
| Compact Drawer .....                     | 30, 52, 113          |
| Compact Drawer for Hanging Folders ..... | 26, 49, 114          |
| Waste & Recycling Cabinet .....          | 15, 165              |

## Drawer Accessories

|                                             |                           |
|---------------------------------------------|---------------------------|
| CNC Adaptors .....                          | 187                       |
| Drawer Divider .....                        | 27, 50, 161               |
| Foam for Collets .....                      | 163, 188                  |
| Foam for Protection .....                   | 26, 49, 114, 163, 188     |

| Left to Right Partition .....               | 161                       |
| Plastic Bins .....                          | 27, 50, 71, 126, 164, 187 |
| PVC Drawer Liner .....                      | 26, 49, 112, 163          |

## ESD Protection

|                               |                  |
|-------------------------------|------------------|
| Conductive Plastic Bins ..... | 13, 29, 122, 164 |
| Dissipative Top .....         | 106              |
| ESD Cabinet .....             | 13, 29           |
| Grounding Wrist Strap .....   | 13, 29, 122      |

## Extensions

|                                         |     |
|-----------------------------------------|-----|
| Leg Extensions .....                    | 109 |
| Side Extension for Common Leg .....     | 109 |
| Stringer Extension for Common Leg ..... | 108 |

## Filler

|                        |        |
|------------------------|--------|
| Filler for Shelf ..... | 73, 94 |
| Rail Filler .....      | 126    |

## Foams

|                                           |             |
|-------------------------------------------|-------------|
| Foam for Collets for H-D Drawer .....     | 163, 188    |
| Foam for Protection for H-D Drawer .....  | 163, 188    |
| Foam for Tools for H-D Drawer .....       | 163, 188    |
| Foam for Tools for Compact Drawer .....   | 26, 49, 114 |
| PVC Drawer Liner for H-D Drawer .....     | 162-188     |
| PVC Drawer Liner for Compact Drawer ..... | 26, 49, 114 |

## Footrests

|                           |     |
|---------------------------|-----|
| Adjustable Footrest ..... | 109 |
| Ergonomic Footrest .....  | 108 |

## Gussets

|                                              |     |
|----------------------------------------------|-----|
| Adaptor for WS50 Shelf .....                 | 116 |
| Cabinet Attachment Bars .....                | 116 |
| Corner Gussets for Industrial Shelving ..... | 75  |
| Corner Gussets for Leg .....                 | 104 |
| Side Brackets for Top .....                  | 116 |

## Handles

|                                                            |              |
|------------------------------------------------------------|--------------|
| Front Handles for Compact and H-D Cabinets .....           | 44, 53       |
| Handle Protector for H-D Drawer .....                      | 43, 118, 162 |
| Replacement Handle for Multi-Purpose Stand .....           | 141          |
| Side Handle for H-D Mobile Cabinet and Smart Compact ..... | 44, 53       |

## Hanging File Bars

|                      |             |
|----------------------|-------------|
| Compact Drawer ..... | 26, 49, 114 |
| H-D Drawer .....     | 167         |

## Hooks

|                                                                |              |
|----------------------------------------------------------------|--------------|
| Double Back Single and Double Hooks for Perforated Panel ..... | 72, 129, 137 |
| Hooks for Mini-Racking Rail .....                              | 80, 197      |
| Single Loop Hooks for Perforated Panel .....                   | 72, 129, 137 |
| Straight Arm Hooks for Perforated Panel .....                  | 72, 129, 137 |

## Housings

|                                                |             |
|------------------------------------------------|-------------|
| Computer Cabinet Housing with Back Panel ..... | 172         |
| Drawer Housing Unit .....                      | 31, 112     |
| H-D Cabinet Housing .....                      | 18, 42, 116 |
| Compact Cabinet Housing .....                  | 30, 52, 112 |
| Stacking Cabinet Housing .....                 | 15          |
| Storage Cabinet for WM Unit Frame .....        | 131         |
| Wall Cabinet Housing .....                     | 132         |

## HOLDERS

|                                       |                   |
|---------------------------------------|-------------------|
| Document Holder .....                 | 141               |
| Document Holder with Arm .....        | 127               |
| LCD Monitor and Keyboard Holder ..... | 13, 127, 128, 175 |
| LCD Monitor Holder .....              | 13, 127, 128, 175 |

## Installation Accessories for Industrial Shelving

|                                |         |
|--------------------------------|---------|
| Floor Anchor Plate .....       | 78, 179 |
| Floor Anchoring Hardware ..... | 78, 179 |
| Shim Plate .....               | 78, 179 |
| Wall Spacer .....              | 78, 179 |

## Legs

|                             |     |
|-----------------------------|-----|
| Closed Leg .....            | 108 |
| Leg Extensions .....        | 108 |
| Open Leg .....              | 108 |
| Open Wall-Mounted Leg ..... | 108 |

## Locking and Security Mechanisms

|                                                        |                          |
|--------------------------------------------------------|--------------------------|
| Econo Lock-In Mechanism for H-D Drawer .....           | 24, 43, 74, 118, 165     |
