COMPUTER STATION

## COMPUTER STATION

Rousseau offers you a range of products and accessories to complete and complement your computer station. Computers are an integral part of all services, they require constant changes and updating, and this can change from one workspace to another.

In addition to the computer cabinet, Rousseau offers supports for monitors and keyboards. These are available in a wall-mounted version and for use with the multi-purpose frame, as well as the wall-mounted smart computer cabinet. All of these products will be very useful for your workspace.

No matter what your need is, Rousseau can supply a solution that is tailored to your situation. In addition, with Rousseau products, you will see the difference in the quality and the attention to detail.

R5JDG-5801

## One Stop Solution

With our vast range of products and accessories, you can create a customized computer station that is tailored to your needs. Whether you need your computer station equipped with a worksurface, extra storage, or even a basic inquiry station, we have the solution you need!

Our products are designed for industrial use (production floor, packing, maintenance and repair, machine shop, etc.), but with their attractive design, they can also be used in office environments (laboratories, electronic and computer environments, etc.).
