"L" CABINET

The Rousseau Advantages

PATENTED

100 lb capacity per drawer.
100% drawer extension in both drawer depths.

Partitions and dividers are clipped in.

Variety of drawer accessories available: full-depth partitions, dividers, plastic bins, hanging file holders, foam for protection, etc.

Central lock on the cabinet housing.

6 drawer heights available: 3", 4", 5", 6", 8" and 12".

The Rousseau drawer rolling mechanism is covered by a lifetime warranty.

"L" COMPACT CABINET

The new "L" Compact Cabinet has been developed to better meet our clients' needs in terms of dimensions offered, drawer configurations and accessories available for a compact cabinet.

The "L" Compact Cabinet is available in 18" wide, two different depths; 21" and 27". Five cabinet heights are available; 24", 28", 30", 34" and 40". A choice of base (2" or 4") in painted steel or stainless steel is also possible for raising cabinet height a bit or to free up foot room. A new security system allows you to lock all of the drawers with one central lock.

The drawers come in a choice of 6 different heights from 3" to 12" and can be accessorized with partitions, dividers and plastic bins for the best possible organization of your parts. Each drawer has a 100 lb capacity and ergonomic handles that are easy to grip and look good.

The unique shape of the "L" drawer is a Rousseau Metal Inc. Trademark and we own a design patent on the "L" drawer.

The "L" Compact Cabinet is an excellent alternative to the "R" Heavy-Duty version. Take the time to learn more in the following pages.
