# Multi-Purpose Stand

*Wide variety of accessories provide flexibility for custom layouts.*

*All components are assembled to the uprights with plastic knobs or installed with hooks.*

*Layout and position of components may be changed without using tools, allowing your system to evolve with your needs.*

*36" and 54" stands high can be made mobile for added flexibility.*

## MULTI-PURPOSE STAND

The multi-purpose stand allows you to keep a multitude of accessories close at hand, from the simplest tools to complex computer parts, spools supports and electronic equipment.

Both the centered and off-center stands give you fast access to each and every item you're storing. In addition to the stationary stands, available in 36", 54" and 84" high, Rousseau also offers a 36" and 54" high mobile version.

The accessory layout on the Rousseau multi-purpose stand is easily changed, without tools. Modify the stand according to your evolving needs by simply adding and moving the accessories.
